Introduction of the OC & Jury

- Selection of the Coach member of the Jury was announced. Coach from Norway will assist the jury tomorrow.

Event Program and Schedule

- Sits Ski Awards request to make them earlier. This will be considered as part of the schedule revision.
- Suggest team captains meeting at 4:30 PM followed by a coaches meeting.
- The schedules will be made available via email and posted on the website.
- A request was made to have the women sit skiers go ahead of the men. No one was opposed.

Course

- A request was made to consider extended warm up areas for sit skiers.

General information from TD

- Congratulations on the day.
- This morning we had some timing problems – equipment so we went to a backup system which resulted in delay in initial unofficial results
- Some anomalies were then discovered in the translation of results for the IPC system which resulted in a restatement of the official results which will be coming out shortly.
- Several incidents were noted in the competition today but were identified after viewing them on video as simply race incidents.
- We had several possible false starts today in which one athlete was relegated to last place in their heat.
- A protest was made for obstruction coming into a semi final mens visually impaired final which was dismissed.
- Some classifications have been updated and the results have been posted in the race office.

General information from the OC

- Note that there will be an athlete's meeting on December 11 @ 11:00
- Reminder that bibs must be returned by 6:00 PM at the race office.

Meeting Adjourned at 17:15 followed by a presentation by the Korea.
