Welcome from the Chief of Competition

Hope the athletes enjoyed the students yesterday. Congratulations to all the winners.

Introduction of the OC & Jury

- Selection of the Coach member of the Jury was announced. Coach from France will assist the jury tomorrow.

Event Program and Schedule

- For Dec 14 a small change in that the visually impaired women will run followed immediately by the visually impaired men so the time between the events has been reduced.

Weather

- The weather forecast is expected to be remain zero. There is a local link for current weather in the Nordic Centre.

Stadium

- Included a penalty loop so that racers could see it for the races on the week-end. The start for tomorrow will also be moved slightly deeper into the stadium.

Course

- No changes to the courses. Maps are available in the Race Office.

Range

- Concern was expressed on the gun resting stands and their height. This issue was postponed to be discussed after the meeting by the TD.

General information from TD

- Sit Ski measurements indicated that there were a couple of sit skis that are too high. These will not be able to be used for the remainder of the competition. One of the teams has been notified. The TD urged that any sit skis wanting to be verified should contact him.
- Confirmed the start list. One additional skier will be added to the Standing men.
