## Team Captains Meeting

### JURY:

- Len Apedaile (Technical Delegate)
- Dan Brisbin (National Assistant Technical Delegate)
- Tom Holland (Director of Competition)
- Tip Ray (International Referee for Biathlon)

Recorder: Harri Ulmer

### PRESENT:

Canada, France, Great Britain, Germany, Italy, Japan, Korea, Norway, Poland, Russia, Sweden, USA

### Course Preparation and Grooming

- There was a request that the tracks under the Biathlon Building Bridge be deepened as they were too shallow today and sit skiers popped out. Groomers will be notified.
- There was also a request to remove the tracks down hills if they were not going to be continuous and without wobbles. The response is that these tracks will be improved for the race tomorrow.
- A request was made to move the track to the outside of the course downhills. The response was that the convention for course is to place the track on the right side of the course regardless of whether that is inside or outside.

### Range Information

- The lane assignments for tomorrow will be the same as today. The lane assignments will be re-ordered after tomorrow's races.
- There will be spot checks on rifles
- The zone of silence will be extended 10 meters past the lanes as per requests
- The VI reset chips will be collected at the finish line with the athletes transponders.
- Should it be needed, there will be a holding or neutralizing zone and the times in and out will be tracked and passed on to timing.
- Please note that amplifications must be turned off in the shooting range. Voice and touch may be used instead.

### General Information from the TD

- Congratulations to the athletes and teams for yesterday's successful races.

- Thanks to the OC for the Livestream – the commentating was good and the coverage looked great!
- Bib 79 missed the start due to an incorrect start list posted. The decision by the Jury was to provide her with a new start.
- There were several sanctions given for early starts. They were bib 52, 131, 121, 122, and 130
- Bib 80 was given a warning for a classic technique violation
- The clock in the start using time of day worked out very well and could be used for future competitions.
- Reminder that no timing devices are permitted on course and test only in the direction of course.
- A call was made to Team Captains for additional jury members for the remaining competitions. As a result, USA will supply a jury member for tomorrow’s races, Japan will supply a jury member for Saturday’s races and Russia will supply a jury member for Sunday’s races.

## General Information from the OC

- Rules are changing rapidly for destination nations so do your checks
- COVID Testing will be available on December 10, 11 and 12.
- If you have not already done so please complete the Economic Impact report and return.
